1.	I have read & understand the Napili Community Garden (NCG) Rules & By-Laws and have been given the introductory session by the orientation leader. I agree to abide by the rules in order to remain a Member in the NCG and be allowed access to the property
2.	I have read and understand the NCG Liability Release, agree to its contents and sign below of my own free will.
3.	I understand that I am responsible for completing Community Work Hours (CWH), <u>2 hours for EACH PLOT</u> , on an ongoing <u>MONTHLY</u> basis. If I have received three letters for non-completion of my CWH I will lose my garden membership, plots and any interests in the NCG. I alone am responsible for making sure that I attend work days or contact the Project Manager for an alternative work assignment. I may pay a \$10.00 <u>per hour</u> fee in lieu of my garden hours if I need to be absent from the garden. Fees are due before the end of the month for which they apply and will be sent directly to the treasurer via the NCG post office box.
4.	I understand I am responsible for keeping my plot clear of weeds, and the paths/walkways around my plot(s) clear of plants and weeds and that the Council has the right to terminate my membership if my plot is not regularly maintained as outlined in the Rules & By-Laws. <u>Keeping the paths around my plots clear DOES NOT count towards Community Work Hours.</u>

I have read and understand the above points 1-4 and have initialed each one. I willingly agree to all 4 points above in order to be a Napili Community Garden Member as acknowledged by my signature below.
